REPORT NO.

1. Confirmation of reports that Col. Emilio Pereyra was appointed as Minister of Finance with no previous warning comes from General Oscar Alvarado, Commander of the First Military District. General Alvarado is now in Lima where he told friends that he was with Colonel Pereyra until late in the evening of 2 February, and that Pereyra at that time had no knowledge of his forthcoming appointment which was announced the next day.

2. Alvarado stated that the new Minister telephoned him the following day and somewhat apolegetically declared that "they have forced me to become a Minister".
